DANGER! CORROSIVE. CAUSES BURNS.
Read entire label prior to use or storage.

DANGER! CORROSIVE. CAUSES BURNS. Avoid eye contact with spray. Use splash-resistant goggles and chemical resistant gloves when mixing or applying. Wash thoroughly with soap and water after handling. Avoid contact with eyes and skin.

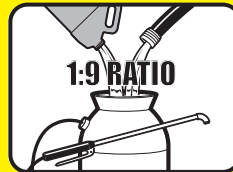

CONTAINS: Potassium Hydroxide and surfactant.

IMPORTANT: Use only as directed on this label. For outdoor use only. Use caution when walking on your roof – inspect roof prior to stepping on; make sure roof is dry and clear roof of leaves and other debris that may be slippery; wear proper shoes or boots that provide traction; wear long sleeves and long pants; and if you are unsure about your safety, wait until conditions improve or call a professional to handle the work. Use garden hose to wet all landscaping before and after application. Do not mix with detergents or chemicals. This product can be harmful to fish. Keep product and run off away from ponds, streams, etc. Avoid applying product on stained or painted surfaces. Rinse product off surface immediately if occurs. This is not a refill for Spray & Forget™ Super Concentrated Roof Cleaner.

STORAGE & DISPOSAL: Store in a cool, dry area. Do not refill or reuse this container. Dispose of in accordance with federal, state and local regulations.

FIRST AID: EYE EXPOSURE: Immediately flush with water for 15 minutes, removing contact lenses after 5 minutes. If irritation persists, call 911, the Poison Control Center at 1-800-222-1222, or emergency room as soon as possible. **SKIN EXPOSURE:** Immediately wash skin with soap and water. Avoid spreading material on unaffected skin. Remove contaminated clothing and shoes and thoroughly clean before reuse. Contact medical professional for advice. **IF SWALLOWED:** Immediately call 911 or emergency room or Poison Control Center. Do not induce vomiting, rinse mouth and give 3-4 cups of water.

DIRECTIONS FOR USE:

1. Mix 1:9 ratio of product/water in a sprayer.

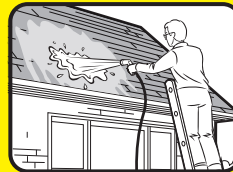

2. Rinse surrounding plants with water.

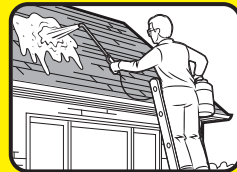

3. Spray mixture from pump sprayer onto roof.

4. Wait 1 minute. Most stains will turn orange when cleaning.

5. Rinse roof with water until orange color is gone.

6. Repeat if necessary (darker stained roofs may need multiple applications).

7. Rinse surrounding plants, gutters and decks with water when finished.
